Subject: St. Thomas Reminder...

Just want to remind you that St. Thomas did not 'fall back' as we =id in the US! Therefore, they are an hour ahead of the East Coast...if =t is noon in NY it is 1pm on the island ;)

I am still waiting to hear back from Jeffrey's pilot regarding which =irport they will be flying in to on Nov. 30th. It will either be =oston Logan or Bedford,MA...as soon as I get word I will pass along.

Jeffrey does say they will land at 6:30pm.

The tail number of Jeffrey's plane is N908JE

As a reminder...Be sure the men travel with their passports...

Thank you and be in touch soon re airport.
