Hi Jojo,

I need you to drive the things for the island to the plane tomorrow morning. It is a lot of stuff, so I have an extra suburban coming to the house from Citicar at 8:30am to take the overflow of items. The plane is in Newberg, NY which is about an hour and a half drive from the city. Larry will be at the plane by 10am, so I thought if you leave close to 8:30am, that's good timing. All of the things are in the basement marked LSJ and [REDACTED] knows everything that needs to go as well. I've asked Larry to let me and you know exactly where you need to go to get to the plane and then Citicar can just follow you. Please confirm. Thanks.
