Sense and Nonsense =bout the Netanyahu Speech

There is a lot of noise and political posturing in the=discussion over the circumstances and wisdom of the prime minister
of Isra=l speaking to the U.S. Congress next month. One of the main arguments agai=st him speaking is that it will
damage U.S.-Israel relations because the a=rangements were not made according to protocol, appeared to be partisan
an= angered the president.

The truth is this is just one more tempest =n the history of a relationship where presidents and prime minister's
freq=ently clash over perceptions of each government's national interest. As be=ore, this too shall pass and the United
States will not abandon its suppor= for Israel; nevertheless, the prime minister has unnecessarily raised ten=ions.

Israeli Navy Stops Gaza-Bound Boat with Rocket Manufacturing Material

The Israeli Navy intercepted a boat carrying approximately one ton of rocket manufacturing materials in late January 2015, and the story and a video of the incident were cleared for publication three weeks later in February. The seized materials were headed to Hamas operatives in Gaza from the shores of the Sinai, and the ship was stopped before it reached Gaza's shores when Israeli security forces deemed it suspicious. Liquid fiberglass was found on board the boat in addition to a canister of gasoline.
