Happy New year!  
not really! :)

I just came back home, the wether is not by my side. Is snowing and many delays or cancelations on flights! I hope this time won't have any problems, though untill next wednesday are bad wether conditions. I'm still thinking about the apartment, I know there is no lace in the models one. I'll write Ron again today to ask if there are any news.

In rest...I can't wait the hot wether and I can't wait to work there! I hope I will big time :)!  
big kiss
