I agree,

but most, but not all of the materials for this Dock project was purchased prior to our arrival. We are not sure who determined quantities. There are posts, footings, some decking, plywood, thatch etc all on site

my recommendation is, let EB finish Cabana's, Dock, GSJ Heli Pad

JPK GSJ Cottage, MB and Library Roofs, the EFIS molding for library will take some time to get. In the mean time they start GSJ cottage.

how do you wish to proceed?

Regards Brice
