The big satellite di=h is connected to the Dish Network receivers that are in Sam's pla=e and Anna's cottage. There are apple TV's in Sam'= place and the cottage.

Most of time, those who have stayed in Sam=E2 s place use Dish Network vs Apple TV. I don't know exactly=why, but I speculate it may be because stuff like sporting events or news =re easier to access rather than using the apple TV. Though, live sports an= News can be access once the necessary apps like NBA.com, ESPN.com, WatchH=O, etc have been actived with a subscription like Netflix.</=pan>

The satellite dish for Anna's cottage and Sam's Place is very corroded and will eventually collapse. Do I have permission to replace this with a 2' roof mounted dish to be mounted on the cottage roof (Estimated cost \$300 to \$400 for the unit and \$125 for installation)?

Regards

Jruan
