Hi Richard,

I am inquiring the status for final payment for the work =erformed on Jeffrey's Gulfstream?

As you are aware, we performed this work and have been =ue the outstanding balance for quite some time now.

Last I spoke with Jeffrey he was reviewing and then he =anted to enter into various discussions about a BBJ he was / is =onsidering.

I would like this addressed as it is the respectful and =ight thing to do. We created a beautiful aircraft that JE =njoys.

Best regards,

Eric

Good afternoon Richard,

I have scrutinized each and every item on the summary invoice which identifies an outstanding balance of \$76,230.

These costs were already discounted due to my relationship with Jeffrey.

Although for the life of me I do understand why he wants to knock down the price, but as much as I care for Jeffrey, there are still things about him I just can't explain – this being one of them.

As a small business, this is real money that has an impact on my business and is long overdue. I believe that if I concede to making TEN THOUSAND DOLLARS (\$10,000.00) off the outstanding balance due, that I am being far more than fair as I would like to get this resolved and put it past us.

Respectfully,

Eric
