Talk to you in the morning.

There must be companies or individuals that deal with corporate underwriting. How do I find a head hunter? Just saw a show inspired from a film call "Bring it on" about cheer leading...audience LOVED it. It was like watching the Olympics in gymnastics. Another thing is a Broadway show...and the producers, Army Bernstein and Universal...are smart...it was such dreck and will make a fortune. Peg

its so time for you to go into another line of work

this is endless bullshit
