hi jeffrey,

i attached here two more images i did in photosho= (no1 and no2) (the last three pictures are from the palace) i can do m=re but it is pretty complicate to do it because i dont have good pictures =f the hampton court palace. i think if we do this painting on the walls,=its going to look pretty close like in the pictures from hampton palace...=br> i noticed in the pictures that everything is painting, even t=e crown moldings..thats why when the painting goes over the moldings you c=nt see any difference..

.....

if =ou decide to do that painting on the walls, i can do it all..figures too=but i have to do oil painting/ we will need also some good picture= of hampton palace paintings

i think its going to take some ti=e to do this project.., even preparing the surface..we have to remove th= wax first... maybe i can use michael to help me with that.

if =ou have other images in mind you can send them to me and i'll try to put o= the walls in photoshop and send them back to you.

do =ou want me to start anything?

thank you,
